

LOCAL ACCESS RETURN HOME FROM THE HOLIDAYS

To address the travel needs of Alaska residents who live in Unalaska and want to return home from the holidays (ANC – DUT), Alaska Airlines has developed a plan to provide seating capacity that is reserved for this purpose.

Here's how it works:

- Seats are limited.
- Valid for travel: **JANUARY 5th & 6th 2014**
- Customers may contact Carlson Wagonlit, US Travel, or Alaska Airlines directly at **1-800-747-0101** (open 7am - 5pm, M-F, AST).
- Customers must ask for a *"Return Home from the Holidays"* local seat.
- Tickets require instant purchase.
- Seafood fares are not applicable.
- Peak award redemptions are available.
- AS50's are OK. (AS50 awards require a 10,000-mile redemption, and give passengers a discount of up to \$100 off any one-way or round-trip published fare. A 20,000-mile redemption gives passengers a discount of up to \$200 off any one-way or round-trip published fare.)
- If using a travel agency, the travel agent must go through the Alaska Airlines Wholesale/Seafood Desk to book these seats.
- There is no 'wait-listing' for local traffic.

This program is intended for local Alaska residents only. We have reserved a limited number of seats on January 5th / 6th 2014. (Anchorage to Dutch Harbor / Unalaska). Residents must have a Mileage Plan account with Alaska Airlines to validate their residency. Residents may register for the Alaska Airlines Mileage Plan for free at: alaskaair.com. (Service is operated by PenAir.)
