

KUCB Open Meetings Policy

Adopted June 15, 2012

It is the policy of Unalaska Community Broadcasting, licensee of KUCB, that meetings of its board of directors, committees, and advisory boards are open to the public, although certain meetings or portions of meetings may be closed in order to address confidential or proprietary matters. A meeting schedule will be posted to our website, posted at our office, and sent to individuals who request meeting announcements via email. Postings will include time, date, and location of the meeting. A recorded acknowledgement of UCB's Open Meetings Policy will be broadcast over KUCB for at least 3 consecutive days each quarter specifying where to find the meeting schedule and how to obtain agenda information.
